Pinewood Derby Workshop Day

Wondering how to make a Pinewood Derby car? Have a great idea, however, you do not have the tools? Need some tips on making the car run fast? Saturday, December 4 from 2 pm to 5 pm at Chris M.'s house is Pack 38's Annual Pinewood Derby Workshop day. We have adult volunteers that are bringing power tools and other items to make your son's dreams come true. This is a hands on session so be prepared with your ideas.

Annual Toy Drive

Pack 38's Annual Toy Drive will take place at the December Pack meeting. Each Den has been assigned a specific age group to collect donations (please check with your Den Leader). Each boy is asked to bring a new toy to the December Pack meeting. The donations will be presented to St. Theresa's in Sugar Land. These toys will help make the holidays a little more cheerful for children that are not as fortunate.

Cubmaster's Corner

What Is A Boy

- He is a person who is going to carry on what you have started.
- He is to sit right where you are sitting, and attend, when you are gone, to those things you think are so important.
- You may adopt all the policies you please, but how they will be carried out depends on him.
- Even if you make leagues and treaties, he will have to manage them, He will assume control of our cities, state and nations.
- He is going to move in and take over your churches, schools, universities and corporations.
- All your work is for him, and the fate of the nation and humanity lies in his hands.

It is well that we pay him some attention.
