Pack 38 Sugar Land, TX

September 2004

## Welcome New Scouts

Let's all give a big "Heap-How" to all the new Scouts and their parents. We have recruited 38 new Scouts, bringing the Pack to approximately 95 total Scouts. We look forward to having everyone actively involved in the 2004-2005 Program Year.

## Calling ALL Adults

The Pack does not run by magic. We need Adult volunteers to make the Pack function and provide great programs for the boys. We are in need of these specific positions:

**Assistant Popcorn Kernel**

**Pack Committee Secretary**

**Training Chair**

**Membership Chair**

**Chartered Organization Rep.**

**Assistant Bake Sale Chair**

**Assistant Pinewood Derby Chair**

Please see Jimmie Riesenberg, Jon Sturgis, Harold Barber or Fred Smith to discuss what position you would want to fill. The more hands involved, the easier the Program runs!!!!

## Event Follow Up

**Cub Day Camp 2004**-- A large group of boys enjoyed several days of fun at Day Camp. There were activities like games, crafts, BB Guns, Archery and more. The cloud cover made the week cooler and more enjoyable. Thank you to ALL the Adult volunteers that took time out of their schedule to accompany the boys. We even had a special appearance by "Mr. Snowcone" (aka Mr. Randy, Den 1) thus proving it can "snow" in June even in Houston.

**Pack Pool Party (P-Cubed)**—Those who attended the Pack pool party on Saturday, August 7 had a great time. The pizza went quickly. Even though we ignored the "one hour" rule about swimming after a meal nothing ended up in the pool!! Thanks to all who came to this event. (PS: Mr. Snowcone appeared and fed the entire pool constituents snowcones –thanks for the public relations)

## Pack 38 T-Shirt

Get them while they last! For just \$7.00 a shirt you can buy the *Official Pack 38 T-shirt*. Be the first kid in your Den to have one! Be the first Adult to show it off!

Being without one is like the Emperor with No Clothes! The Pack has an initial order on hand now and will order more with pre-paid orders. See Mr. Fred, Committee Chair for more information.

## Fall Campout

Save the weekend of **November 12-14** for the exciting Fall Campout! We will be camping at nearby Brazos Bend State Park. The park has many activities to offer so plan to be there. Look for more details shortly or ask your Den Leader.

## Water Blast!

Come one, Come All! To the Annual Pack 38 Water Blast. Get ready to be soaked! **Where: Pecan Park.** **When: 9/25, 11 am to 2 pm.** Bring your own drinks, the Pack will provide pizza for lunch. Also, bring your water guns and buckets. We are currently making arrangements to have the Sugar Land Fire Department come out.
